

Calling all hands! You're invited!

All those on the island July 4th are invited to congregate on the beach for a potluck picnic, starting around 6PM. This informal feast will take place where the beach trail enters onto the East-side beach.

Bring your favorite dish to share, and your own libations and your own beach chairs. Charles and Jaime will set up tables and supply the "silverware and napkins." Following dinner, stay to watch the fireworks on Jekyll and St. Simons.

For anyone who can come half an hour early, we will have garbage bags available for a mini beach cleanup. Best part of that is the conversation and visiting that takes place as you walk down the beach filling your bags. It's more fun than work, so please lend a hand!

See you on the beach,

Warm regards,

Jim Klauder
President
