Dear Fellow Members,

As the holiday season approaches I want to send greetings, invitations, and cautionary notes.

In reverse order, please pay close attention to the boat schedule for Thanksgiving and Christmas days. We have changed from the normal schedule of “no Wednesday” boats to having a Wednesday boat the day before Thanksgiving and the day before Christmas. There will be no regularly scheduled boat on Thanksgiving Day and Christmas Day. Beyond even those two changes, if we find there are overflow crowds signing up for boats for a particular day during the holiday season, we will enlist the services of Larry Crews (and his 30 passenger boat) and not run the LCI scheduled boats. If we go that route, the staff will contact all those who have reservations with information about the rescheduling with Larry.

On Friday, November 28th, all are invited to an island-wide potluck at the mound. Festivities will get underway at 6PM. Please bring your own libations, your best culinary effort, and a flashlight. Diner will be laid out in the Association equipment shed. There will also be a gathering over the Christmas weekend, date to be announced soon.

If we do not bump into each other on the beach or share supper at one of the potlucks over the holidays, I want to extend my best wishes for a joyous yearend and a healthy, happy, and prosperous 2015.

Warm regards,

Jim Klauder, President
